

A COLLABORATION OF  
PARTNERSHIP FOR APPALACHIAN GIRLS' EDUCATION & COMMUNITY MAKE SPACE

# STORIES FROM THE STORM PAGE LEARNING QUILT

Beginning on Thursday February 19th

Thursdays 11:00am - 1:00pm

COMMUNITY MAKE SPACE (STUDIO 101)

*(Inside Marshall High Studios: 115 Blannahassett Island Rd, Marshall, NC)*

WE WELCOME EXPERIENCED QUILTERS AS WELL AS NEW OR NOVICE FIBER ARTISTS.

Join PAGE's Programs Director Maia Surdam to participate in the traditional community craftwork of quilt making. Since the Spring of 2025, people across WNC and beyond — from the ages of 7 to 77 — made nearly 100 quilt squares to represent their unique experiences and perspectives with Hurricane Helene. Now, we're taking the next step to lovingly assemble these squares into quilts and preserve this history. One of the quilts, the PAGE Learning Quilt, will be open for all community members to contribute to in the creative presence of the Community Make Space.
